

THE COVIDLAND TIMES

1/12/21 EDITION

Note from the Editor: If you recall, last week I wrote "If you thought 2020 was crazy, buckle up as 2021 appears to be that and much, much more!" Well, turns out we didn't have to wait long for that prognostication to come true! This past week has certainly been interesting. There's no doubt we are living in unique, constantly changing, and some might even say exciting times. Did we see our Republic die on 1/6/21 or was that the beginning of something better? Only time will tell, and since things appear to be moving at "Warp Speed" we will be finding out sooner than later. One thing is for sure, the information about all things COVID and RESET is coming out at Warp Speed. My intention is not to overwhelm you, it is yet keep you abreast of what's going on. This is why I add a little commentary to each one, so you have an idea of what it is about.

Please feel free to forward the COVIDLAND TIMES to those who you think will welcoming learning more about what's going on in COVIDLAND. If you get tired of forwarding it, have them email us and they can get their own copy. This past week I received a few requests for alternatives to Google. You can find those right after the Reset news.

Before we dive in this week's news, I'd like to have you take a few moments to ponder the following:

Have you considered ...

The vaccine is so SAFE, you have to be threatened to take it.

The disease is so DANGEROUS, you have to take a test to even realize you have it.

Have you considered...

- *If the test works - Why the false positives?*
- *If the masks work - Why the six feet?*
- *If the six feet works - Why the masks?*
- *If all three work - Why the lockdown?*
- *If the vaccine is safe - Why the no liability clause?*

(It only starts to make sense when you understand that everything that has happened and is happening is due to a meticulously planned and sinister plot being implemented by the narrow elite clique of criminals who now control our world.)

"The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists." -- J. Edgar Hoover

"Silence in the face of evil is itself evil:

Not to speak is to speak.

Not to act is to act." -- Dietrich Bonhoeffer

WHO Fauci Warn COVID 19 Vaccines May Not Prevent Infection and Disease Transmission (So one wonders then...what is the point? Even ardent pro-vaxxers have got to admit if they truly trust the ‘science’ then what is the genuine point of this vaccine since they are saying pretty much that all of the things a vaccine is supposed to do, this covid vaccine isn’t going to do.)

2020: The Year We Lost Our Common Sense, Courage and Civil Liberties (Think back to what life was like in early January 2020. Then, just like that, everything turned upside down and the whole world catapulted into a scientific dictatorship run by pseudo-scientists, Technocrat engineers and incompetent computer geeks. Excerpt of last paragraph of article: “Such a system of totalitarian control, should it ever come into fruition, will have achieved in mere months what fascism could not in years: the pacification and unification of a great swath of the world’s population not by bayonet, but by syringe. In fact, today the people of London are fleeing their fair city not out of fear of the virus per se, but out of fear of the lockdown restrictions put in place by the authorities. To put it otherwise, the world gave an inch and the globalists took a mile, and a person would have to be a fool to believe it could have turned out any other way.”

<https://youtu.be/xH9XWNz0GW4>

Cartoon of the Week:

In closing, this past week has showed us it is futile to have faith in government. It is only faith in the Lord Jesus Christ that matters. Never lose sight that alone He is our rock and salvation; a very present help in trouble. Lean on Him, lean on your family, friends and neighbors. Whatever you do, DO NOT FEAR. So many people are captured by fear from an invisible enemy (virus) and have stopped living and are enslaved to their fear of death. Death is nothing to fear. We do not belong to this world. We are just passing through until the day Christ calls each of us home. "For to me to live is Christ, and to die is gain." Philippians 1:21. I would like to share 2 more verses and commentary:

"... so that through death He might destroy the one who has the power of death, that is, the devil, and free those who through fear of death were subject to slavery all their lives." Hebrews 2:14-15

Adam Clarke Commentary for Hebrews 2:15

And deliver them who through fear of death - It is very likely that the apostle has the Gentiles here principally in view. As they had no revelation, and no certainty of immortality, they were continually in bondage to the fear of death. They preferred life in any state, with the most grievous evils, to death, because they had no hope beyond the grave. But it is also true that all men naturally fear death; even those that have the fullest persuasion and certainty of a future state dread it: genuine Christians, who know that, if the earthly house of their tabernacle were dissolved, they have a house not made with hands, a building framed of God, eternal in the heavens, only they fear it not. In the assurance they have of God's love, the fear of death is removed; and by the purification of their hearts through faith, the sting of death is extracted. The people who know not God are in continual torment through the fear of death, and they fear death because they fear something beyond death. They are conscious to themselves that they are wicked, and they are afraid of God, and terrified at the thought of eternity. By these fears thousands of sinful, miserable creatures are prevented from hurrying themselves into the unknown world.

Song & Lyrics of the week: **Jesus! What a Friend for sinners!** Keep in mind He is "Saving, helping, keeping, loving; He is with me to the end!" <https://www.youtube.com/watch?v=t24uLvayvsM>

Jesus! what a Friend for sinners!
Jesus! Lover of my soul;
Friends may fail me, foes assail me
He, my Savior, makes me whole

[Chorus]
Hallelujah! what a Savior!
Hallelujah! what a Friend!
Saving, helping, keeping, loving
He is with me to the end

Jesus! what a Strength in weakness!
Let me hide myself in Him
Tempted, tried, and sometimes failing
He, my Strength, my victory wins

[Chorus]
Jesus! what a Help in sorrow!

While the billows over me roll
Even when my heart is breaking
He, my Comfort, helps my soul

[Chorus]

Jesus! what a Guide and Keeper!
While the tempest still is high
Storms about me, night overtakes me
He, my Pilot, hears my cry

[Chorus]

Jesus! I do now receive Him
Or Jesus! I do now adore Him
More than all in Him I find
He hath granted me forgiveness
I am His, and He is mine

Finally, God loves you, and if you have not done so, sincerely admit that you are a sinner; believe that Jesus is the virgin-born, sinless Son of God who died for the sins of the world, was buried, and raised from the dead; ask Him to forgive your sins, cleanse you, come into your heart and be your Saviour; then tell someone that you have done this.
