

THE COVIDLAND TIMES

1/19/21 EDITION

YOU MAY CHOOSE TO LOOK THE OTHER WAY BUT YOU CAN NEVER SAY AGAIN THAT YOU DID NOT KNOW – WILLIAM WILBERFORCE

Note from the Editor: You'll notice changes in this week's edition. There are two new sections. One is titled "Take Action!" which will provide information on things you can do individually and/or your group. The second one is titled "Facts over Fear" which will provide facts with context which is something you rarely see or hear in the MSM.

This has been another non-stop week for COVIDLAND news. I apologize for the length (it could be much, much longer) but there's so much information that you need to know. There's no doubt we are in the biggest spiritual battle of our lifetimes. However, there's no reason to be discouraged and give up. As a Christian believer we are never to live in fear as our eternity is secure. Even if times get rough and persecution comes we hold to 2 Tim 1:7: "For God has not given us a spirit of fear, but of power and of love and of a sound mind." We need to be of a sound mind and to love our enemies as they have been deceived by the god of this world and his minions. Also, we have power through the Holy Spirit to stand firm, be strong advocates for the truth and be courageous no matter the cost. Censorship is bound to get worse so we need to become more creative to get the word out. Social media might be taken down for those who don't have the "right viewpoint". It might come down to in-person small group meetings, emails, phone calls and snail mail (maybe even smoke signals ;)

"Let us hold unswervingly to the hope we profess, for He who promised is faithful. And let us consider how we may spur one another on toward love and good deeds, **not giving up meeting together**, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." Hebrews 10:23-25 NIV

Have You Considered...

Tip: If people will not listen to your concerns about the vaccine or the policies surrounding covid, my advice is to ask them questions (have you considered...) and then walk away. Hopefully, the brainwashing is suspended for a brief moment where they can contemplate the questions and start to think and reason critically again.

Have you considered ...

- *The virus is so smart it knows time (only strikes people who break curfew between 10pm-5am)*
- *The virus is so smart it knows distance (only strikes people who are 5.999999 and under feet apart)*
- *The virus is so smart it knows your height (only strikes those walking around inside restaurants, not those sitting at the tables)*
- *The virus is so smart it knows how many people are meeting (only strikes those with over 10 people)*
- *The virus is so smart it knows when you're having a peaceful protest (only strikes those at church)*

This virus must have an IQ over 1,000! And the people following the nonsensical, communist mandates have an IQ of ___?? (Please don't use this last line in your conversation!!)

Have you considered... (thought I'd include this one again from last week)

- If the test works - Why the false positives?
- If the masks work - Why the six feet?
- If the six feet works - Why the masks?
- If all three work - Why the lockdown?
- If the vaccine is safe - Why the no liability clause?
- If the vaccine is effective – Why the need to continue to wear masks, distance and lockdown?

(It only starts to make sense when you understand that everything that has happened and is happening is due to a meticulously planned and sinister plot being implemented by the narrow elite clique of criminals who now control our world.)

"At present, the public mind is not prepared to receive the truth." Robert E. Lee, 1866

*"Silence in the face of evil is itself evil:
God will not hold us guiltless.*

Not to speak is to speak.

Not to act is to act." -- Dietrich Bonhoeffer

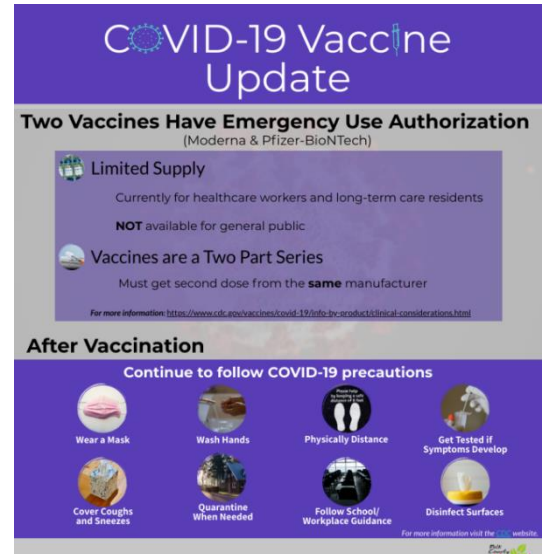

Image taken from Polk County, WI covid webpage on vaccine. Notice no changes in recommendations after receiving it. So, how does it help "liberate" us and return life to "normal"?

Take Action!

#1 Action this Week:

AB1 bill introduced and changed in the WI Senate. Read this link to learn more:

<https://www.maciverinstitute.com/2021/01/mi-analysis-update-on-senate-changes-to-ab-1-the-new-covid-19-relief-package/>

- **We need to tell our Assembly Reps to throw out the Senate amended version of AB1 and protect our Constitutional Rights!**
- **We need to tell our State Assembly Representatives from our districts to push for a "Vote of NO confidence in Robin Vos, and have him removed from his position as Speaker of the Assembly"** (he doesn't value conservative views, the laws of Wisconsin, nor the Constitution). Please take the time to send an email or make a phone call (preferred as calls are judged more important than emails). We must get involved, or we will lose our liberties and we will have no one to blame but ourselves!

Other Actions:

- PLEASE EMAIL (covidtimes@use.startmail.com) CONTACTS OF ANY LOCAL AND STATE OFFICIALS (Sheriffs, County Board members, City council members, State Reps, State Senators) WHO YOU KNOW ALIGN WITH MAINTAINING OUR FREEDOMS AND LIBERTIES SO WE CAN START TO MAKE AN EASILY ACCESSIBLE CONTACT LIST TO SHARE AMONGST ALL PATRIOTS IN OUR STATE. The list will be used for us to know who our allies are, and who we need to target for removal in the next election.

- Join your local Freedom loving patriot group! If you belong to FB there is a listing of groups you can find here <https://www.facebook.com/photo?fbid=453269672355452&set=g.242570090542394>. Hopefully, there'll be a listing on a different social media platform in the near future
- Use the following websites for Information and several Resources on restoring medical and individual freedoms.

 - **Weekly informational teleconference Q&As: Thurs Jan 21, 28, Feb 4 at noon (eastern)**
 - During the contrived COVID-19 debacle, the liberties and freedoms of Americans have been taken away with breathtaking speed, and are still limited, even in states that claim to be reopening their economies. We have seen significant evidence showing that the "end game" is mandatory testing, contact tracing, and vaccines with technology allowing law enforcement to determine who is and is not permitted to leave the house, shop, work, or go to school. It's time to unite – the tens of millions of Americans who are fed up with this insanity can gather together and we can declare our independence from tyranny
- Get to know your Sheriff! Is s/he a constitutional sheriff that will support your rights and the constitution? Schedule a meeting with him and ask questions. You will find out if you want to support him and make sure he's elected again, or if you need to find someone to run against him.
- Shop ONLY at local stores that support liberty and freedom! The ones that do not enforce illegal and unconstitutional mandates, i.e. masks.
 - Instead of Menards shop at your local hardware store. If they don't have it on the shelf they can probably order it and have it within a couple days.
- Do not wear masks. Not only are you supporting other people's fear, your are supporting a LIE.
- Get Rid of Google/Twitter/FB/Instagram/Tik Tok/etc.
 - Internet browsers: Brave, Opera, ~~Firefox~~ (Firefox is no longer recommended. [Mozilla](https://www.mozilla.org/) who owns it stated they want to see all conservative websites deplatformed, just like Google.
 - Search Engines: Swisscows, Quant
 - Email: Protonmail, Startmail
 - Messaging: Signal
 - Social Media: Gab?, ~~MeWe~~
 - Do Not watch ABC, NBC, CBS, or PBS, not even local news. Let your local stations know this.
 - Refuse to watch NBA, NFL, etc..
 - Refuse to purchase products made in China, unless they are essential and no other option is available
 - Do NOT support Hollywood in anyway
 - Discontinue NetFlix and let them know why
 - Refuse to send your college age student to colleges where Postmodernist/Cultural Marxist courses are offered
 - Donate to reputable tax deductible conservative organizations
 - Use an ad blocker if using Youtube

Facts Over Fear:

With 2 weeks left in 2020, USA Today reported that 2,835,533 people had died. If you extrapolate that number for 52 weeks you get 2,948,854 total deaths. I'm sure that number will change. The CDC usually has the actual death count and rate updated by April. Using the numbers we have and assuming they are accurate, 2,948,954 people died in the USA. In 2019, 2,854,838 people died.

www.usatoday.com/story/news/factcheck/2021/01/08/fact-check-u-s-more-d.. Like I said, those numbers are pending and may or may not be accurate. The population of the USA is 332,013,304. The U.N. projects the death rates for every year and the predicted death rate for 2020 was 8.880.

www.macrotrends.net/.../death-rate

That death rate is per 1000 people. So for every 1000 people 8.88 people are expected to die. So, you take the population, divide that by 1,000, and multiply that by 8.88 to get the projected total number of deaths for 2020 $(332,013,304)/(1,000) \times (8.880) = 2,948,278$ deaths. Compare the number of people that died (2,948,854) to the UN's projected number of deaths (2,948,278). Had Covid-19 actually killed 375,250 people the death toll for 2020 would be over 3.3 million. You can't make this up! So 575 more people died that was projected. 575 people is within the margin of error. In other words, you have been snookered with complicit media aiding and abetting Mr. Global and our government/health institutions to sell you the lie of the excessive and excess deaths caused by the new, novel, super spreading, and deadly virus. In other words, there was NO EXCESS DEATHS. COVID has not added more deaths than would normally be expected in a year. [Note: this does not factor in the normal increase in population from year to year so the data would be even more compelling if that was factored in.] It wouldn't be surprising if the CDC will alter the stats in some way between now and April when the death numbers for 2020 will be finalized so they can make this fake pandemic look legitimate.

The following is a breakdown of the numbers based on the Deagel data, <https://deagel.com/forecast>, that I've cited in my presentations and in a previous COVIDLAND TIMES edition:

- #1) UK: -78.5% pop. -95.4% GDP
- #2) Ireland: -74% pop. -95.6% GDP
- #3) USA: -69.6% pop. -91.6% GDP
- #5) Germany: -65% pop. -89.8% GDP
- #9) Spain: -43.8% pop. -79.3% GDP
- #11) France: -41.8% pop. -75.5% GDP
- #13) Australia: -34.8% pop. -75.8% GDP
- #29) Canada: -25.7% pop. -61.3% GDP

That's a reduction of 400 Million people in those 8 countries listed, and 518 Million for all countries, by 2025. It appears White, Christian Western Societies are the prime target. The reason given is that covid strikes Western countries worse than non-Western (Isn't that the smartest and most 'racist' virus you've ever heard of? Or is there more to this prognostication? Hmmm) Now you have knowledge of the Globalists' plans. None of this has to happen. Let's take some action to see that their plans of a "great reset" doesn't happen!!

Remember the 'Reset' relies on these 3 pillars and **your submission**:

1) Public Health Emergency (CV19) 2) Climate Emergency 3) Debt/Monetary Emergency

All 3 emergencies are created/manufactured/used by 'Mr. Global' and their collaborators.

All Things COVID:

*****Lipid Nanoparticles: A Novel Approach for Brain Targeting** (This is why there are great concerns about the mRNA vaccines. This study was published in 2018 by Indian researchers. This grave use of lipid nanoparticles has never been addressed by any public health authorities since. This had to be known by the CDC/Pharma officials during vaccine development. Of course, those vaccines are "safe and effective"!)

[https://pubmed.ncbi.nlm.nih.gov/29886842/#:~:text=Background%3A%20Brain%20is%20a%20delicate,Blood%20Brain%20Barrier%20\(BBB\).&text=Nevertheless%2C%20lipid%20nanoparticles%20are%20taken,because%20of%20their%20lipophilic%20nature](https://pubmed.ncbi.nlm.nih.gov/29886842/#:~:text=Background%3A%20Brain%20is%20a%20delicate,Blood%20Brain%20Barrier%20(BBB).&text=Nevertheless%2C%20lipid%20nanoparticles%20are%20taken,because%20of%20their%20lipophilic%20nature) Excerpt: "The study states: "...**lipid nanoparticles are taken up readily by the brain because of their lipophilic nature. The bioacceptable and biodegradable nature of lipid nanoparticles makes them...suited for brain targeting.**" The article also states, "these nanostructures need to be investigated intensively to successfully reach the clinical trials stage."

*****Covid-19 outbreak at Auburn nursing home infects 137 residents, kills 24** (You'll be hearing more reports just like this. It seems the vaccine is working backwards at The Commons on St. Anthony nursing home in Auburn, New York. Vaccinating people is supposed to reduce or end coronavirus deaths. Right? But, at The Commons, such deaths are reported to have occurred only after residents began receiving coronavirus vaccinations. This is the damning paragraph of the article, where vaccinations at The Commons is mentioned: "The nursing home began vaccinating residents Dec. 22. So far 193 residents, or 80%, and 113 employees, or less than half the staff, have been vaccinated. The nursing home plans to do more vaccinations Jan. 12." SO BASICALLY THE MORTALITY RATE IS HIGHER FOR THE ELDERLY BEING VACCINATED THAN THE ACTUAL VIRUS MORTALITY. Although other factors must be considered; just as they must be considered when discussing covid deaths, which the media and public health officials avoid like the plague!!!!) <https://www.syracuse.com/coronavirus/2021/01/covid-19-outbreak-at-auburn-nursing-home-infects-137-residents-kills-24.html>

Tip of the Iceberg? Thousands of COVID Vaccine Injuries and 13 U.S. Deaths Reported in December Alone (Of course, those injuries and deaths post vaccine were total happenstance!?!... Whenever an official says, "We did not find..." the follow-up question needs to be, "Did you even bother to look for...?") https://childrenshealthdefense.org/defender/thousands-covid-vaccine-injuries-13-deaths-reported-december/?utm_source=salsa&eType=EmailBlastContent&eId=1fd8cb58-95d0-46d9-b54f-3a3b61f97d5a

*****The Science of mRNA "Vacations"** (Dr. Cowan uses the word "Vacations" as a substitute for vaccines in order not to get banned on youtube) (Interesting video explaining the mechanism of mRNA vaccines and their effects)

CDC Says Severe Allergic Reactions to the Covid Vaccine Run 10 Times Reactions to the Flu Shot But They're Still Rare (That makes you feel good doesn't it? It's rare so don't worry about it. New studies suggest people who have recovered from coronavirus have a stronger protection against the disease than those who take the vaccine. (It's better to be exposure to the virus and recover than take the vaccine. This is true of all diseases/vaccines. If this is proven in studies and has been known/accepted science prior to March 2020, why is it they want us lockdown so we can't develop natural immunity through natural exposure?) https://www.newstalk.com/news/luke-oneill-recovered-coronavirus-patients-have-stronger-protection-than-vaccinated-people-1133149?utm_medium=Social&utm_source=Twitter#Echobox=1610371011

Latest on The Great Reset:

*****The Council for Inclusive Capitalism** (Get to know this name and who's behind it. It's a collaboration between the Vatican/Pope Francis and Global businesses/organizations). It was established 12/8/20. The title sounds nice but it's anything but when it comes our your money and finances, individual, business and global) <https://www.inclusivecapitalism.com/> [Some names who are the "guardians" of this council include Mastercard, Dupont, Merck, J&J, Visa, BP, Rockefeller foundation, TIAA, CalPERs, OECD, Ford Foundation)

*** **Global Compact on Education** (Get to know this name and who's behind it. Yes, Pope Francis is leading one too! Some people behind the Vatican include Jeffrey Sacks (population control advocate), Bill Gates, Jack Ma, UNESCO, Islamic Development Bank, IMF. It has a very strong anti-Christian agenda, promotes population control, agenda 2030 (tyrannically to protect the environment), denies existence of God and promotes secular humanism. <https://www.educationglobalcompact.org/en/>)

Quote “The Global Compact on Education should have taken place on 14 May 2020, with a series of complementary meetings (The Village of Education). To allow the widest and most serene participation, the “presence” meeting has been postponed. But Pope Francis' invitation is even more relevant today: there is the need to combine efforts so that education can create peace and justice!”

*****The Vaccine Credential Initiative** (This appears to be the way Mr. Global is going to create a “streamlined” process to ensure everyone has their covipasses!) <https://vaccinationcredential.org/>
Excerpt: “The goal of the Vaccination Credential Initiative is to empower individuals with digital access to their vaccination records so they can use tools like CommonPass to safely return to travel, work, school, and life, while protecting their data privacy.”

Deutsche Bank: EU Green Deal can only succeed with “a certain degree of eco-dictatorship” (At least they, the WEF/global elite are being honest. If we do not resist we will have a dictatorship and ‘reset’ forced on us) (<https://www.thegwpf.com/deutsche-bank-eu-green-deal-can-only-succeed-with-a-certain-degree-of-eco-dictatorship/> (Eric Heymann, a senior economist at Deutsche Bank Research, warns that Europe’s Green Deal and its goal of climate neutrality by 2050 “won’t work without “a certain degree of eco-dictatorship” Heymann writes, “in order to achieve carbon neutral by 2050, Europe’s economy and its entire political and legal systems will have to be changed fundamentally.”)

Researchers Suggest Adding Lithium to Drinking Water to Curb Suicide Rates During Coronavirus Pandemic (Instead of ending the lockdowns and tyranny which are causing an explosion in depression and suicidal thoughts, their solution is to add a drug to our drinking water. Excerpts: ““Everyone uses the bathroom — there’s really no avoiding it — and that enhances its value as a disease-detecting device.” ...” “To do so, we made a flush lever that reads fingerprints.” The team realized, however, that fingerprints aren’t quite foolproof. What if one person uses the toilet, but someone else flushes it? Or what if the toilet is of the auto-flush variety? They added a small scanner that images a rather camera-shy part of the body. You might call it the polar opposite of facial recognition. In other words, to fully reap the benefits of the smart toilet, users must make their peace with a camera that scans their anus.”

Cartoon of the Week:

In closing, I will repeat what I opened this edition: This ultimately is a spiritual battle. Satan himself is the master of lulling people asleep through worldly comfort, entertainment, mixing a little truth with falsehoods. Satan's spiritual agenda will come to fruition someday and he will have his moment of 'glory' with mankind worshipping him, but it won't last long. The early church faced similar troubling and persecutorial times. Do you know what happened to the church? It grew through those tough times. Perhaps the Lord has put this challenging time before for us today for the purpose of reaching out to our friends and neighbors with the Gospel to grow His church. In this week ahead, continue to pray like you've never prayed before for God's mercy, strength, courage and perseverance.

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of [a]the darkness of this age, against spiritual hosts of wickedness in the heavenly places.
Ephesians 6:12

The following devotional is a great reminder not to give up, no matter if we think we are out financed or outnumbered by the enemy. David slew Goliath. Gideon conquered the Midianites: This comes from the "Days of Praise" daily devotional sent out by the Institute for Creation Research. It seemed fitting to include it this week.

A Mighty Man

“And the angel of the LORD appeared unto him, and said unto him, The LORD is with thee, thou mighty man of valor.” (Judges 6:12)

Gideon was not a very promising leader to all outward appearances. He was of the undistinguished and divided tribe of Manasseh, and “my family is poor in Manasseh, and I am the least in my father’s house” (v. 15).

But that’s exactly the kind of man God knows He can use, for “God hath chosen the weak things of the world to confound the things which are mighty” (1 Corinthians 1:27). God, therefore, greeted him thus: “The LORD is with thee, thou mighty man of valor” (text verse).

As a matter of fact, there were other qualities in Gideon that must have commended him to God. He was already busy threshing “wheat by the winepress, to hide it from the Midianites” (v. 11). He was not sitting idly but was already doing what he could for his people. Furthermore, even though he lived in a time of great apostasy when even his own father kept an altar for the god Baal, he still worshipped the true God and was greatly exercised that “the LORD hath forsaken us, and delivered us into the hands of the Midianites” (v. 13). He was burdened for his people, but all he had been able to do was to try to feed them, hiding his wheat from the invaders. Before the Lord could use him further, however, he had to destroy the family idol and offer his own sacrifice to the true God, even though he knew his family and neighbors might try to kill him (vv. 25-32). God, then, did indeed “save Israel from the hand of the Midianites” through Gideon (v. 14).

If we would be mighty for God, like Gideon, we must begin like him: poor yet faithful, burdened for the Lord’s truth, and doing what we can—putting away every idol of the mind, and acknowledging our Savior’s sacrifice for us. HMM

Finally, God loves you, and if you have not done so, sincerely admit that you are a sinner; believe that Jesus is the virgin-born, sinless Son of God who died for the sins of the world, was buried, and raised from the dead; ask Him to forgive your sins, cleanse you, come into your heart and be your Saviour; then tell someone that you have done this.
